As a Summer Event Coordinator, you will create and implement the most amazing day camp programs, and engaging one-day events throughout the RM of Rockwood and the town of Stonewall all summer long. Working with a dedicated team, you'll give young people in these communities opportunities to do something new, be something different, and explore themselves and the world around them. You will also host drop-in events, both for high school students, and those a little too young for the regular evening drop-in.

You'll need to be organised and energetic, enthusiastic about changing the lives of youth in the community, and willing to take initiative to get things done. You'll learn how to plan and carry out large and small events, how to coordinate with a team, and how to connect with people from every walk and sector of your community.

Given the nature of the work, we're looking for young people (18-29 years old) who live in the RM of Rockwood. As Youth for Christ is a faith-based organisation, a successful candidate will be able to affirm and support our organisation's Statement of Faith, and be committed to our mission.

We have a goal of changing the lives of young people, and we'd like you to join us.
